- Between 0800 and 1430 on 16 November 1954, 32 MiG-15s and 3 Yak-11s were parked at Deutsch Wagram airfield. There was a 10/10 overcast at an altitude of about 1,000 meters, a northwesterly wind of about 8 km/h and a visibility range of about 1 km. No air activity was conducted. The AA gun emplacements were not occupied. The barracks were fully occupied by EM wearing black-bordered blue epaulets. No parked motor vehicles were seen. 25X1
- The following observations were made in the Deutsch Wagram military post:
 - No 19 Bahnhof Strasse. The building was guarded by sentries wearing black-bordered epaulets and frequented by EM with the same service color. Three of the EM carried climbing irons and telephone apparatuses. Four trucks and 2 van-like trucks were parked in the garden of the installation.
 - Building near school. Sentries wearing black-bordered blue epaulets were posted in front of the building. There was little traffic by soldiers wearing black-bordered blue epaulets or by individual officers wearing black-bordered blue epaulets. Banners with slogans were fitted on both sides and over the entrance of the gymnasium.
 - Nos 6 to 8 Bockfliess Gasse. The building was guarded by a sentry wearing black-bordered blue epaulets. Jeep [] and sedan [] both with drivers wearing black-bordered blue epaulets, were parked in front of the installation. 25X1
